Sub: BRICS GAMES – 17-22 July - Johannesburg, South Africa

In the recently concluded BRICS GAMES at Johannesburg, South Africa (17-22 July 2018) Indian Men's and Women's U-21 Teams have performed creditably. **Indian Women's U-21 secured Silver Medal and Men's U-21 Team secured Bronze Medal in the BRICS Games.**

After the 1986 Asian Games this is the first time the Indian Volleyball team is getting a Medal in a multi Nationals event.

Earlier, Indian Women's U-17 Volleyball Team, who participated in the 20th South East Asian U-17 Women's Volleyball Championship for Princess Cup, held at Thailand, our Women's U-17 Team secured Silver Medal & Second Position in the Championship.

We also would like to inform that our Senior Men and Women Teams are undergoing Coaching Camp at SAI NIS Patiala and SAI NS Southern Centre, Bangalore respectively towards preparation for the forthcoming 18th Asian Games. We firmly believe that both Men and Women Teams will perform to their full potential to secure podium finish in the Games.

With best wishes,

RAMAVTAR SINGH JAKHAR
Secretary General,
Volleyball Federation of India.
