## **System of Competition and Classification of Teams**

All the matches will be played at each centre on round robin basis and the winners at each centre will be decided as per the following FIVB rules.

The points will be awarded as follows:

Match won	2 Points
Match lost	1 Point
Match forfeited	0 Point

If two or more team obtained the same points, the ranking shall be decided by the Quotient Ratio of whole points won and lost.

If the tie is not cleared ranking will be decided by the Quotient Ratio of the sets won and lost for the whole matches.

If two teams are still in tie, winner of the match played between two tied teams will be taken into consideration to break the tie.

If any team forfeit a match during their league round, they will be out of the championship and all the matches played by them in that group / pool and those results will not be reckoned for classification.

Total points secured by the teams at all centres will be taken into consideration to decide the first three positions of the IVL 2011.
