### **CLASSIFICATION OF TEAMS (New Format)**

I) By the number of points gained among teams of the same pool.

1) The following points will be gained by each team:

Victory 3-0 or 3-1.....	3 pt
Victory 3-2.....	2 pt
Defeat 3-2.....	1 pt
Defeat 3-0 or 3-1.....	0 pt

2) In the case of a tie

- a) Number of victories-in case of equality of match points gained by two or several teams, they will be classified in descending order by the number of matches won.
- b) Set quotient-in the case of equality in the number of matches won gained by two or several teams, they will be classified in descending order by the quotient resulting from the division of the number of all sets won by the number of all sets lost.
- c) Points quotient-if the tie persists as per the set quotient (1.2.b) the teams will be classified in descending order by the quotient resulting from the division of all points scored by the total of points lost during all sets.
- d) If the tie continues as per the point quotient (1.2.c) between two teams, the priority will be given to the team, which won the last match between them.
- e) When the tie in point quotient is between three or more teams, a new classification of these teams in the terms of 1.1 and 1.2 will be made taking into consideration only the matches in which they were opposed to each other.

II) If a team voluntarily declares its forfeit or is not in condition to start the match on time, the team will be excluded from the Championship and all the results of the matches it already played during the respective rounds will be nullified. The respective opponent team will be declared winners of the respective matches (25-0, 25-0, 25-0)
